The AED SOLUTION!

AED Solutions was founded in 2008 and since then, we have grown our team to be one of the largest E-Commerce based AED Suppliers in Canada.

At AED Solutions, our mission is to provide individuals with the power to save lives by making AEDs accessible to all Canadians. We are passionate about providing superior products, superior customer service at competitive prices.

As a Health Canada Licensed distributor in Canada, and over 16 years in the industry, we are pleased to be able to supply Canadians with their choice of all Health Canada approved AED brands to ensure they have the appropriate information and AED for any application. Along with our extensive defibrillators and defibrillator accessory selection, AED Solutions also provides a variety of online training courses, first aid supplies and PPE.

AED Solutions' focus is to make a positive impact in the communities it serves. Through partnerships with schools, healthcare facilities, government agencies, and other organizations, AED Solutions works tirelessly to raise awareness about sudden cardiac arrest and the importance of AEDs in saving lives.

AED Solutions is a shining example of the innovation and leadership that Canadian women bring to the business world. Owned and operated by women, AED Solutions stands as a testament to the entrepreneurial spirit and dedication of its team.

AED Solutions continues to grow and expand its reach, we remain firmly committed to our mission of making AEDs accessible to all Canadians.

WHY BUY FROM AED SOLUTIONS?

1. **Experience and Expertise:** With over 15 years of experience in providing life-saving medical devices across Canada, AED Solutions has established itself as a trusted authority in the field.
2. **Health Canada Certification:** As a Medical Device License Holder with Health Canada, AED Solutions offers products that meet rigorous regulatory standards, ensuring reliability and safety.
3. **Excellent Customer Service:** AED Solutions prides itself on its commitment to excellent customer service. Their knowledgeable representatives are dedicated to assisting customers in finding the right AED solution for their specific needs.
4. **Tailored Packages:** AED Solutions understands that each facility is unique, and they offer tailored packages to suit our church's requirements, ensuring that we get the best solution for our application.
5. **Relationships and Trust:** Over the years, AED Solutions has built strong relationships with customers across Canada, earning their trust through reliability, quality products, and exceptional service.

AED Solutions is pleased to partner with Anytime Fitness as their trusted supplier for all of their AED needs.

AEDs (Automated External Defibrillators) are a great way to enhance safety and potentially save lives. In the event of a cardiac emergency, every second counts. AEDs can dramatically increase the chances of survival for someone experiencing sudden cardiac arrest (SCA

By equipping fitness centers with AEDs, you're prepared to address a common scenario where sudden cardiac arrest can occur and ensuring that members and staff have access to life-saving technology
